

# Panther East Sweepers

**PANTHER EAST**

## Mechanical Sweepers

*Panther East* carries a wide variety of Powerful Mechanical Sweepers. Here are two of our most popular units.

### ASE36 Mechanical Sweeper

This self propelled sweeper is extremely easy to operate. Its 36" wide poly coil (optional poly & steel combination) brush is ideal for sweeping the roof clean. The broom head swings up to 15° to the left or right for windrowing.

Length: 62 in.  
Width: 42 in.  
Height: 36 in.  
Shipping Weight: 250 lbs.  
5.5 HP Honda

### ASE40 Mechanical Sweeper

The more powerful version of the ASE mechanical Sweeper, the MS40 uses a 9hp Honda engine and wider sweep path to clear large areas fast. Shown with standard poly-coil brush.

Length: 70 in.  
Width: 47 in.  
Height: 38 in.  
Shipping Weight: 350 lbs.  
9hp Honda
